Transforming Business for our Planet

Salt Spring Coffee is hosting an awareness and fundraising campaign for Canopy, an organization that protects ancient and endangered forests. We have created a Paint-by-Numbers poster that celebrates Canopy's story and values, and we need you to bring it to life!

You might remember paint-by-numbers from your childhood, but we've thrown those rules out the window.

Recreate this poster in whatever way you like—paint, ink, soil, collage, 3D printing... When you're finished, we invite you to share your creation on social media—just include #canopybird in your post.

All money raised from our campaign will go directly to Canopy's work in BC's Great Bear Rainforest.

Visit canopybird.com, use #canopybird, and take our 21-day action challenge.
